INFORMATION DISCLOSURE STATEMENT

In accordance with 37 C.F.R. § 1.97 and § 1.98, Applicants bring the references listed on the attached form to the Examiner's attention and request that they be considered and made of record in the subject application.

Since the present Information Disclosure Statement is being filed after a Request for Continued Examination, but before a subsequent first office action on the merits, no certification under 37 C.F.R. §1.97(e) or fee under 37 C.F.R. §1.17(p) is believed to be required. Should any fees be required, the Director is hereby authorized to charge the required fees to Deposit Account No. 18-2220.

Some of the listed documents were respectively cited in a German Office Action, a Japanese Office Action and a U.K. Search Report related to respective counterpart applications of Applicants' above-identified U.S. Patent Application. The other documents were discovered by Applicants' own search. For the Examiner's convenience, a copy of the German Office Action with English translation, a copy of the Japanese Office Action, and a copy of the U.K.

Search Report are attached. Applicants respectfully submit that the attached English translation of the German Office Action provides a concise explanation of the relevance of the submitted German documents as understood by the foreign Examiner. In addition, as indicated, each listed non-English document includes an English language abstract. Therefore, no statement of relevance is required

In accordance with 37 C.F.R. § 1.98(a)(2)(ii), copies of the listed U.S. patents and published applications are not included. Copies can be provided if required by the Patent Office.

The Examiner is requested to consider the attached documents in connection with the above-identified application and to return a copy of Form PTO-1449 to Applicants with the Examiner's initials in the space provided.

Submission of this Information Disclosure Statement does not constitute an admission by Applicants as to the materiality of the attached documents to the application, nor do Applicants waive any right to challenge the validity of the documents as prior art should such action be deemed appropriate.

Respectfully submitted,

Date: October 8, 2009
